

Table for Two – Frequently Asked Questions

1. When will we receive our vouchers?

Your vouchers can be found in the Amex Experiences App on the homepage, under the “Table for Two” tile. You will receive one voucher every two months, based on the following cycles:

- 1 Jan (valid from 1 Jan – 28 Feb)
- 1 Mar (valid from 1 Mar – 30 Apr)
- 1 May (valid from 1 May – 30 Jun)
- 1 Jul (valid from 1 Jul – 31 Aug)
- 1 Sep (valid from 1 Sep – 31 Oct)
- 1 Nov (valid from 1 Nov – 31 Dec)

Please note that vouchers must be used within their respective redemption periods.

2. Why are some dates unavailable when I try to make a reservation?

Availability is determined by each participating restaurant. A date may appear unavailable because:

- a. All seats have been booked, or
- b. The restaurant has not opened reservations for that date yet.

If your preferred date isn't available, we recommend trying other participating restaurants or checking again later.

3. I'm unable to select the number of guests I want. Why does this happen?

If the option to choose your party size doesn't appear, it usually means only 1 seat remains for that timeslot. Available seats reflect real-time capacity from each restaurant (e.g., 1 seat = 1 guest). Reservation slots are released in even numbers. When other guests book an odd number of seats, it can leave only 1 seat or another odd number remaining. To book for more guests, please try a different timeslot or date.

4. I didn't receive my OTP / My account is locked. What should I do?

The OTP will be sent in the following sequence (with 2 minutes between each attempt):

- a. SMS
- b. WhatsApp
- c. Automated voice call

If you are still unable to receive the OTP or your account becomes locked, please email info@diningcity.sg. Their team will respond within 3–5 working days. If you require urgent assistance, you may also call the number at the back of your Card.

5. How do I know if my reservation is confirmed?

After you complete your booking, DiningCity will send an SMS containing:

- a. Your reservation confirmation, and
- b. A reservation code

You can manage your reservation using the link in the message. If you don't receive the SMS, please contact info@diningcity.sg for help.

6. My voucher shows as “used” even though I have not redeemed it. What should I do?

If your voucher appears as redeemed, please check if your Basic or Supplementary Card Members may have used the voucher. Vouchers are shared by all Card Members under one account. If not, try the following:

- a. Log out of the Amex Experiences App and delete the App from phone
- b. Update the App
- c. Log in again after redownloading the App

If the issue continues, please call the number at the back of your Card. If the voucher is found to be unused, it will be reinstated.

7. Why do I need to log in again?

A: All users must complete MYCA authentication, including existing app users.

8. Why is Face ID no longer working?

A: After 90 days, the app requires MYCA credentials again before biometric login can continue.
